ABOUT Singapore Institute of Directors

MISSION

To foster good governance and ethics in corporate leadership.

VISION

To be the national association advancing the highest level of ethical values, governance, and professional development of directors.

Formed in 1998, the Singapore Institute of Directors (SID) is the national association of company directors. It works closely with the authorities and regulators, and its network of members and professionals to uphold and enhance the highest standards of corporate governance and ethical conduct.

The SID's membership comprises mainly directors of commercial companies and non-profit organisations, as well as lawyers, accountants, academics and other professionals in the field of corporate governance. The affairs of the SID are directed by an elected Governing Council and managed by a Secretariat.

The SID has a comprehensive professional education curriculum that covers the entire spectrum of a director's developmental needs. Numerous courses cater to the different groups of directors – from aspiring and new directors, to experienced directors and Chairmen of Boards, and the various Board Committees.

In particular, the SID provides thought leadership on corporate governance and directorship issues. It

keeps directors apprised of the latest thinking and happenings through a quarterly *Directors' Bulletin*, *Statements of Good Practices*, boards and directorship surveys, research publications, and forums and seminars.

To encourage excellence in corporate governance, the SID manages the Best Managed Board Award, the Best CEO Award and the Best Investor Relations Award; these are presented at the annual Singapore Corporate Awards which it co-organises with the Institute of Singapore Chartered Accountants and The Business Times. In addition, the SID and the NUS Centre for Governance, Institutions and Organisations (CGIO) produce the Singapore rankings for the ASEAN Corporate Governance Scorecard. Further the SID, CGIO and CPA Australia collaborate on the Singapore Governance and Transparency Index.

The SID also provides other value-add services to its members including regular networking events and socials, board appointment services, and a one-stop information service on governance related matters.

For more information, please visit www.sid.org.sg or contact the Secretariat at (65) 6422 118.

MESSAGE FROM SID Chairman

Willie Cheng

Chairman

Singapore Institute of Directors

We are pleased to once again organise the annual SID Golf Tournament.

Despite the challenging economic environment, this year's event has been fully subscribed. We would like to thank all the sponsors and players who have made this possible.

We are especially grateful to the many corporate sponsors who have been with us year after year. This includes Sembcorp Industries who is the sponsor of the Challenge Shield for the best team, Daimler and Ball Watch who are continuing their support of prizes for a Hole-In-One, SGX who is the lunch sponsor, and many other repeat Gold, Silver, prize and goodie bag sponsors. We are also grateful to have new sponsors such as Telstra who is supporting the dinner event.

Last but not least, our special thanks to our Guest-of-Honour, Minister Lim Swee Say, for sharing his Sunday to be on the greens with us.

Finally, let me wish all golfers a wonderful day of golfing and networking.

The Game

The Competition

The competition shall consist of a single round of 18 holes in accordance with the Rules of Golf approved by the Royal and Ancient Golf Club of St Andrew and the United States Golf Association, and the local rules of Tanah Merah Country Club (TMCC).

The format of play shall be Stableford Points based on the player's handicap calculated using the Double Peoria Handicapping System. There shall be only one division for all participating golfers. The maximum handicap for men shall be 24 and lady golfers 36.

In the event of a tie for any place, the "tied" places will be determined by the TMCC count-back system. Players are requested to play without delay. If your score is more than DOUBLE PAR for the hole, please pick up your ball and proceed to the next tee box. Please record your gross score as double par for the hole, e.g. Par 3 would be 6 and so on.

In the event of inclement weather resulting in the inability of players to continue to play, the competition will be cancelled and prizes may be awarded on a lucky draw basis.

The decisions of the Tournament Director are final.

The Double Peoria Handicapping System

Each player shall record his gross score for each hole, with double par minus one [1] as the maximum for any hole.

After the tournament, 12 random holes will be selected. The player's gross scores (maximum double par minus one [1]) for these 12 holes are totalled and

then multiplied by 1.5. The resulting number minus 72 [par] is further multiplied by 80 per cent. This will be the player's Double Peoria System handicap for the day. This Double Peoria handicap will then be used to calculate the player's Stableford Points.

Prizes

SEMCORP CHALLENGE SHIELD

The team with the highest Stableford Points (based on first and third best score of each hole).

HOLE-IN-ONE Prize

Conditions for Winning the Mercedes-Benz E-Class

1. There will be an official Ball Marker stationed at each Par 3 hole for which there is a Hole-In-One prize. When you score a Hole-In-One, please identify yourself and provide your particulars to this official. When you have finished the game and returned to the clubhouse, please contact a member of the Organising Committee for the details of claiming the prize.
2. The Hole-In-One must be achieved during a complete round of 18 holes.
3. Players taking part should be 21 years old and above to be eligible for the Hole-In-One prize.
4. Players taking part must be residents/citizens of Singapore with a registered address in Singapore to be eligible for the Hole-In-One prize.
5. Players taking part should be amateur golfers with capabilities ranging from USGA Handicap 0 to 24.4 for men and 0 to 36.4 for ladies. The amateur participants' official handicap during the tournament must be correctly declared before the commencement of the tournament and evidenced by current handicap cards issued by the clubs or issuing body recognised by USGA.
6. The players must complete all 18 holes and scorecards must be fully completed, signed by the marker and submitted to the Organising Committee.
7. All equipment must conform to official specifications.
8. If there is more than one winner, then the prize shall be equally shared amongst the winners.

Good luck!
