## ABOUT SID

### MISSION

To foster good governance and ethics in corporate leadership.

### VISION

To be the national association advancing the highest level of ethical values, governance, and professional development of directors.

The Singapore Institute of Directors (SID) is Singapore's national association for company directors. Formed in 1998, its mission is to uplift the directorship profession and champion good governance. Its membership comprises board directors, company leaders, and professionals with an interest in corporate governance. SID provides a comprehensive training curriculum that covers the spectrum of professional developmental needs of directors including the Listed Entity Director programme for newly-appointed directors and the Governance for Outstanding Organisation Directors programme for directors of nonprofit boards. In its advocacy for good governance, SID curates thought leadership and benchmarking research and indices on corporate governance and directorship issues, and provides a one-stop information resource on governance-related matters. It connects the director community via initiatives such as mentoring and networking, and provides a range of services for boards including board appointments, board listings and board evaluations.

# MESSAGE FROM SID CHAIR

It is with great pleasure that we mark the 25<sup>th</sup> anniversary edition of our annual golf tournament. As I take in the list of members, guests, players, supporters and sponsors, I am struck by how fortunate we are at the Singapore Institute of Directors. Over the past 25 years, we have been embraced by the warmth of this special community of friends and partners. We are overwhelmed by the support of so many in the governance ecosystem who have provided a platform for all to step back from our busy schedules.

The annual golf tournament is an important fixture in our calendar. It brings together SID members and supporters to help raise funds for the organisation to continue our work of advancing the highest level of ethical values, governance and professional development of directors in Singapore. As we roll out new initiatives to help directors adapt to the evolving business landscape around us, we are developing new programmes and partnerships to equip and enable you on the next step of your directorship journey.

The golf tournament provides an opportunity for all participants to take on a different type of challenge on the green. As we reconnect and recharge with friends old and new, we hope to build on this strong foundation and further grow a directorship community equipped for the changing times. This year, we are pleased to offer a range of prizes from our generous sponsors. We are excited to present not one, but two hole-in-one prizes, courtesy of Wearnes Automobile, the latest Volvo C40 recharge model and a S\$50,000 cash prize from AIDigi.

A special thank you goes out to our supporting partner, the Singapore Golf Association (SGA) which conducted an indoor golf clinic ahead of the tournament to rev up interest around the event. At Sentosa you will be able to receive putting tips and participate in novelty games hosted by the SGA squad players too. We have lined up more than 100 Lucky Draw awards, and all participants will have an opportunity to bring home attractive prizes.

Thank you for joining us on this special day, and I wish you a memorable afternoon and an enjoyable golf game.

# THE GAME

## The Competition

The competition shall consist of a single round of 18 holes in accordance with the Rules of Golf approved by the Royal and Ancient Golf Club of St Andrew and the United States Golf Association and the local rules of Sentosa Golf Club (SGC).

The format of play shall be Stableford Points based on the player's handicap calculated using the Double Peoria Handicapping System. There shall be only one division for all participating golfers. The maximum handicap for men shall be 24 and women golfers 36.

In the event of a tie for any place, the "tied" places will be determined by the SGC count-back system. Players are requested to play without delay. If your score is more than DOUBLE PAR for the hole, please pick up your ball and proceed to the next tee box. Please record your gross score as double par for the hole, e.g. Par 3 will be 6 and so on.

In the event of inclement weather resulting in the inability of players to continue to play, the competition will be cancelled.

The decisions of the Club Director are final.

## The Double Peoria Handicapping System

Each player shall record his gross score for each hole, with double par minus one [1] as the maximum for any hole. After the tournament, 12 random holes will be selected. The player's gross scores (maximum double par minus one [1]) for these 12 holes are totalled and then multiplied by 1.5. The resulting number minus 72 [par] is further multiplied by 80 per cent. This will be the player's Double Peoria System handicap for the day. This Double Peoria handicap will then be used to calculate the player's Stableford Points.

## PRIZES
