## ABOUT SID

### MISSION

Every board director a champion of good governance

### VISION

To transform boards and empower board directors to be champions of good governance

The Singapore Institute of Directors (SID) is Singapore's national association for company directors. Established in 1998, our mission is to transform boards and empower board directors to be champions of good governance. SID works with regulators and partners to serve as the voice for directors and facilitates consultations and feedback sessions on regulatory matters. In advocating for good governance, SID advances thought leadership and benchmarking research and indices on corporate governance and directorship issues.

SID builds competencies and capabilities to enhance boardroom skills of directors for informed decision-making. An accreditation programme serves to set standards for and showcase best practices of good governance. The organisation supports members on their directorship journey with courses, workshops, advanced masterclasses, forum discussions and pit-stops. SID connects and strengthens the ecosystem with initiatives such as mentoring and networking. The Governance for Good Alliance is an initiative by SID to bring together key stakeholders who help advance our vision for every board director to be a champion of good governance.

# MESSAGE FROM THE CHAIR

The Singapore Institute of Directors (SID) Silver Jubilee Golf Tournament returns to the distinguished Tanjong Course at Sentosa Golf Club on 22 May 2026, marking the 25<sup>th</sup> edition of SID's flagship annual event. Over the years, this has become a valued tradition within our community.

We are honoured to have Dr Ng Eng Hen, former Minister of Defence, join us as Guest-of-Honour for this Silver Jubilee event.

This premier event brings together SID members, senior leaders and partners for a day of sport, networking and meaningful connections. Beyond the game, the SID Golf Tournament continues to serve as a key platform for strengthening relationships and fostering camaraderie within Singapore's directorship community.

We are also pleased to welcome back the Singapore Golf Association as our supporting partner for this year's Silver Jubilee edition. Professional golfer James Leow will be on hand to guide participants and share insights on the course, further enriching the overall golfing experience.

In celebration of our 25th anniversary, we are pleased to present two exciting hole-in-one prizes — an electric vehicle courtesy of Tesla, and a cash prize sponsored by Endowus. Participants will also have the opportunity to compete for a special Circle-in-One watch prize sponsored by NORQAIN.

As a not-for-profit organisation, SID is deeply appreciative of the steadfast support of our corporate sponsors, whose valued partnerships make this flagship event possible each year. We extend our heartfelt gratitude to both our returning sponsors and new partners for their continued commitment and generosity.

As we celebrate this special milestone, we also thank all our members for their unwavering support over the years, which has brought us to this Silver Jubilee edition.

We wish all players and guests a rewarding and memorable tournament filled with great moments on and off the course.

Warm regards,

**Yeoh Oon Jin**

Chair

# THE GAME

## The Competition

The competition shall consist of a single round of 18 holes in accordance with the Rules of Golf approved by the Royal and Ancient Golf Club of St Andrew and the United States Golf Association and the local rules of Sentosa Golf Club (SGC).

The format of play shall be Stableford Points based on the player's handicap calculated using the Double Peoria Handicapping System. There shall be only one division for all participating golfers. The maximum handicap for men shall be 24 and women golfers 36. The tournament is open to amateur golfers only.

In the event of a tie for any place, the "tied" places will be determined by the SGC countback system. Players are requested to play without delay. If your score is more than DOUBLE PAR for the hole, please pick up your ball and proceed to the next tee box. Please record your gross score as double par for the hole, e.g. Par 3 will be 6 and so on.

In the event of inclement weather resulting in the inability of players to continue to play, the competition will be cancelled.

The decision of the Tournament Director is final.

## The Double Peoria Handicapping System

Each player shall record his gross score for each hole, with double par minus one [1] as the maximum for any hole. After the tournament, 12 random holes will be selected. The player's gross scores (maximum double par minus one [1]) for these 12 holes are totalled and then multiplied by 1.5. The resulting number minus 72 [par] is further multiplied by 80 per cent. This will be the player's Double Peoria System handicap for the day. This Double Peoria handicap will then be used to calculate the player's Stableford Points.
