Covid-19 is creating unprecedented disruption throughout our lives and the global economy. Customer demand, supply chains, financial markets, the workforce force and every aspect of business are affected. Businesses have faced crises before, but this one is uniquely complex and unpredictable. The role of board is now more important than ever. The need to make critical strategic, financial and operational decisions, to mitigate risks and seize opportunities, requires clear, considered and compassionate leadership.

Our second webinar on “Navigating Liquidity” will cover the role of the board in building financial resilience, particularly in relation to liquidity and cash flow management, while exploring grants and relief incentives, including the impact of the contract waiver measures.

Programme for Webinar 2: Navigating Liquidity
