The SID [Special Interest Groups](#) aim to support the directorship community through their respective focus groups. To enable meaningful connections and collaborations, specific areas of interests have been identified, whether based on profession, industry, trend or topic. These Special Interest Groups are formed with the objective of bringing together directors and professionals to share experiences and ideas, and to connect through more informal networking activities and events.

As of 1 June 2021, the following Special Interest Groups have been established:

- Audit Committee Chapter (Chair: Max Loh)
- Company Secretaries Network (Chair: Linda Hoon)
- Digital Network (Co-Chairs: Madanjit Singh and Kathy Park)
- Family Business Group (Co-Chairs: Marleen Dieleman and Richard Eu)
- Golf Network (Chair: Angelena Cala)

SID invites you to learn more about the specially-curated initiatives and programmes of these networks, and to register your interest. There are no additional membership or joining fees. Those interested in joining the specific interest group can register their interest [here](#).
