The *Board of Directors Survey 2022* is a benchmarking survey of directors on listed boards. The survey seeks to provide an overview of the corporate governance landscape in Singapore, and how it has evolved over the years.

Now in its 12th edition, the survey is organised by SID and supported by SGX. Its partners are PwC, Russell Reynolds Associates and Singapore University of Social Sciences.

At the launch of the 2022 survey findings, attendees can expect to glean insights into the trends of board practices and attitudes over time, along with the latest thinking in areas such as:

- Board Structure and Directorship
- Board Practices
- Strategy and Execution
- Remuneration and Talent Management
- Audit and Finance
- Shareholder Rights and Responsibilities
- Sustainability Reporting
